FOR IMMEDIATE RELEASE

December 3, 2007

LAKESWOOD, CO - MARTIN/MARTIN, INC. ANNOUNCES BEN NELSON ELECTED TO THE BOARD OF DIRECTORS FOR THE NATIONAL COUNCIL OF STRUCTURAL ENGINEERS ASSOCIATIONS (NCSEA)

At its annual 2007 meeting, Martin/Martin Principal, C. Ben Nelson, P.E. was elected to the Board of Directors of the National Council of Structural Engineers Associations (NCSEA). Mr. Nelson has been Colorado's delegate to NCSEA since 1999. He will serve a two year term as a member of the NCSEA Board of Directors. Mr. Nelson has been a practicing structural engineer since 1984 when he joined KKBNA, the predecessor firm to Martin/Martin, Inc. He directed the design and construction of a variety of projects including cultural/performing arts, higher education, recreation/sport, office, and satellite broadcast facilities. He has been responsible for all project phases from concept design through construction administration of steel, concrete masonry and wood framed structures.

NCSEA is a professional society in the United States which was established in 1993. NCSEA was formed to constantly improve the level of standard of practice of the structural engineering profession throughout the United States, and to provide an identifiable resource for those needing communication with their profession. To learn more about NCSEA, visit their website at <http://www.ncsea.com>.

Martin/Martin is widely acknowledged as a leading consulting civil/structural engineering firm in Colorado and, with its predecessor firms, has been continuously providing engineering design services for over 50 years locally, nationally and internationally.
